Gibson-French Nuptials Sol-
emnized at Christ Church.

EXTENDED WEDDING TOUR

Bride Is Daughter of Mr. and Mrs.
George Smoot French—Groom Is a
Prominent Alexandria Druggist.

WASHINGTON TIMES BUREAU,
ALEXANDRIA, VA., JUNE 7.
One of the prettiest weddings which
has taken place in this city for some
time was that which was solemnized at
old Christ Church last evening at 8:30
o'clock when Miss Eleanor Williams
French, daughter of Mr. and Mrs.
George Smoot French, became the bride
of Richard Gibson, a leading Alexandria
druggist. The ceremony was performed
by the Rev. William J. Morton in the
presence of many relatives and friends
of the happy couple.
The matrons of honor were Mrs. D. J.
Howell, a sister of the groom and Mrs.
Clarence R. Howard, of Fredericksburg,
a sister of the bride. The maids of
honor were Miss George M. French, a
sister of the bride, Miss Holmes Paul-
ding, of Washington, and Miss Sue Spil-
ler, of Wytheville, Va.
Dr. Thomas S. Gibson was the groom's
best man. The bride wore a becoming
suit of white tulle and silk, while the
maids of honor wore gowns of white net.
The ushers were Boyd Spiller, Bau-
drie Howell, Clarence R. Howard, D. M.
French and Lieut. Kent D. Spiller, U.
S. A.
Mr. and Mrs. Gibson left on an ex-
tended wedding tour after the ceremony.
They will reside in this city.

tain pen, a lady's plain gold watch, a
monthly ticket on the electric railway,
and \$25.00 in money were stolen. Thieves
also entered 1422, occupied by W. O. Lay-
cock, but did not steal anything, while
1422 was entered and a railroad monthly
ticket stolen.

Watchman Harrison Dead.

this city, died at his home, 737 North
Columbus street, this morning. He was
sixty-four years of age, and is survived
by his wife.

Leg Had to Be Amputated.

Samuel Pulman, residing at 209 North
Patrick street, was brought to the
Alexandria Hospital this morning, with
his left leg injured, having been crushed
in an accident on the railroad south
of this city. Mrs. Smith and Gibson
amputated the injured member between
the knee and ankle.

Donohoe-Murtagh Wedding.

Miss Rose Murtagh, one of the belles
of West End, was married yesterday
morning at St. Mary's Church to Wil-
liam F. Donohoe, of Philadelphia. The

A Washington Testimonial
Gentlemen: My little daughter, 10
years old, suffered nearly a year with
chills and fever, most of the time un-
der a doctor's care. I was very much
discouraged about her. A friend recom-
mended Elixir Babek, and from the time
I commenced giving it to her she
has never had a chill. It completely
cured her. Very truly yours,

Titled Suitors Beset
Wealthy Widow Field

MRS. MARSHALL FIELD,

Widow of the Chicago Millionaire, Who Is Disgusted With London Because of
the Persistent Overtures for Marriage She Is
Receiving From Titled Englishmen.

Driven to Distraction by
Offers of Marriage From
English Noblemen.

LONDON, June 7.—Mrs. Marshall
Field, of Chicago, is being driven nearly
to distraction by suitors. It is said on
the best authority that titles have been
laid at her feet. In one case a mat-
rimonial agency tried to open negotia-
tions with her for the hand of a mar-
quis. Mrs. Field says she feels as
though she never again wished to see
London.
Mrs. Field has a royal suite of rooms
at Claridge's for her six-year-old girl's

nurseries. The child is so delicate that
she is never allowed to remain in the
atmosphere of one room for more than
an hour or two at a time.
These apartments are filled with
growing plants, and there is now a
theory in the medical world that cer-
tain plants exude an oxygen which is
peculiarly helpful to children.
Before the mother departs for Amer-
ica, which will be in three or four weeks,
she will place the boys at Eton, but her
daughter will return with her to Chi-
cago.

STANDARD'S LAWYERS

Hold Council of War to Formulate Re-
ply to Charges of Interstate
Commerce Commission.

NEW YORK, June 7.—A council of
attorneys of the Standard Oil Company,
men prominent in legal circles in various
parts of the country, is being held at
the general offices of the Standard Oil
Company here. This council of counsel
is preparing the formal reply the Stand-
ard will make to the Interstate Com-
merce Commission's charges against the
Oil trust at the recent hearing in the
West. Attorney Virgil P. Klein, of
Cleveland, personal counsel of John D.
Rockefeller, is in charge of this work.

JILTS ON EVE OF MARRIAGE
ANTIPODES SWEETHEART

NEW YORK, June 7.—Love must have
his way. The case of Miss Lillian Sachs
that was, and Charles Roth is a case in
point. Though Lillian had promised to
marry Roth, when he proposed to her
by letter from China five months ago,
and had made all arrangements to leave
this country with Mrs. Roth on a steam-
er bound for China, which is to sail from
the California coast in a few days, she
admitted that even on Monday, when
she gave out the details of her proposed
trip, she had no intention of going.
On Tuesday she married Irving Hen-
schel, a stalwart young New Yorker,
who had won her love from her sweet-
heart in the Antipodes.

RIVER VIEW TRIPS
FIND MUCH FAVOR

Trips are being made daily to the popu-
lar excursion resort at River View,
Md., by the different churches and or-
ganizations of the city, and these will
continue until the middle of September
when the season will be brought to a
close.
Sunday next the new steamer Queen
Anne will make three visits to the re-
sort, leaving her wharf here at 11 a. m.,
2:30 and 6:30 p. m. On the first two
trips she will go to River View only,
but on the evening after stopping at the
View to land those who wish to stop,
and to take on those who wish to take
the ride, will go on a run of forty miles.
On the return she will stop at River
View again and will reach home about 10
p. m. These outings are among the
most pleasant of the week out of Wash-
ington and are greatly enjoyed. Con-
cert music on the steamer and on the
grounds at River View will be a feature.

HER KISSES WERE
WORTH TWO DOLLARS

Philadelphia Magistrate Decides Girl
Gave Good Return for Money
Sweetheart Gave Her.

PHILADELPHIA, June 7.—With the
wisdom of a Solomon, Magistrate
Hughes has decided that "two weeks"
kissing and hugging were worth \$2 and
discharged thirteen-year-old Sadie
Shaeffer, against whom a charge of lar-
ceny by bailee was preferred by the
mother of William Schambreaner, who,
it was said, got the kisses.

From the testimony in the case it ap-
pears that Schambreaner, who is seven-
teen years old, planned to elope with
little Miss Shaeffer. He had little
money, but he told his sweetheart he
would get some, and he did. The pair
started out and bought a new hat and a
pair of shoes as part of the girl's wed-
ding outfit. These cost \$6.50. Then the
boy, who had planned to go to William-
ston to get married, gave \$2 to Sadie to
keep until the day for the wedding came.
He told her the money was left to
him, she says, but his mother alleged
at the hearing that he took it from her
savings. She figured there was \$6 miss-
ing, and the youth admitted taking it.
Under pressure he also told what be-
came of it and collected \$20 of the \$2
from Sadie, but he couldn't get the
money for the shoes and hat nor \$2 she
had spent.
"I can't take the shoes from her feet,
the hat is home and as for the \$2, said
the magistrate, "I think the boy got his
money's worth in two weeks' hugging
and kissing." Having thus placed a
value on a sweetheart's caresses, the
magistrate discharged the girl and sent
the boy home.

SUBTERRANEAN AGE
FORETOLD BY ENGINEER

CHICAGO, Ill., June 7.—A subterranean
age, when theaters will be built under-
ground and the busy hum of factories
will resound from far beneath the side-
walk, was forecast last night by
John M. Ewan, an engineer, in an ad-
dress before the Men's Club of St.
Peter's Episcopal Church.
Mr. Ewan's subject was "Erecting a
Chicago Skyscraper," but while he
pointed out that the erection of build-
ings fifty stories high is perfectly feasi-
ble, he said it is also probable that in
the future more attention will be paid
to digging habitable holes beneath the
street level.

The "1900" Washer
Would you like a washer that will
actually wash a big tub full of dirty
clothes in six minutes, and wash
them better than can be done by
hand in an hour? That is what the
"1900" Washer will do. The "1900"
Washer has no crank to turn, and no
grinding, twisting motion to rub the
clothes full of holes, and tear off all
the buttons as some "washing ma-
chines" will do. A child can wash
heavy blankets, fine laces, etc., just
as easy as collars and cuffs, with no
wear and tear, and very little exer-
tion, and they will be cleaner than
if washed by hand for an hour.
Now, we want to send one of these "1900" Washers to your home on
Thirty Days' Free Trial
and if it is not absolutely satisfactory you can return it, and it will
cost you nothing. If you find it is all it is claimed to be—that it
